

Hello,

Press Release Fleet Europe Days 2026

Date: October 27–28, 2026

Location: Feira Internacional de Lisboa (FIL), Lisbon, Portugal

Next-Gen Fleet Starts Now. Here. In Lisbon

Fleet Europe Days 2026 brings together 1,500 international fleet, mobility and remarketing leaders in Lisbon, Portugal.

Media Fleet Europe www.fleeteurope.com is proud to announce the Fleet Europe Days 2026, taking place on 27 and 28 October at the Feira Internacional de Lisboa (FIL) in Lisbon, Portugal.

Recognised as Europe's leading event for international fleet, mobility and vehicle remarketing professionals, Fleet Europe Days will once again bring together more than 1,500 decision-makers from over 35 countries. Corporate fleet managers, leasing and rental executives, OEMs, remarketing specialists, technology and AI specialists, energy companies and mobility innovators will meet to discuss the strategic choices and impactful trends shaping the future of the automotive, fleet and mobility industry.

A new integrated approach

Under the theme "**Next-Gen Fleet Starts Now. Here.**", this year's conference introduces a redesigned programme that blends fleet management and vehicle remarketing throughout both conference days.

Rather than treating fleet and remarketing as separate disciplines, Fleet Europe Days 2026 reflects the reality of today's market, where vehicle acquisition, operations, energy management, data intelligence and end-of-life value are increasingly connected.

Across eight executive conference chapters, C-level executives will debate topics including AI-powered organisations, connected vehicle intelligence, EV residual values, cross-border remarketing, energy strategy, circular value creation, and the future business models of fleet, leasing and mobility.

World-class speakers

The conference opens on **Day One** with futurist **Peter Hinssen**, presenting Thriving in the Never Normal, exploring how organisations can succeed in an era of permanent technological disruption.

Day Two opens with former Ayvens CEO **Tim Albertsen**, who will share his vision on The New Fleet and Remarketing Reality, explaining how fleet, leasing and remarketing are converging into one connected vehicle lifecycle.

Other confirmed C-level speakers are:

- Michael Lohscheller, CEO Polestar
- Alain van Groenendael, CEO Arval
- Corrado Sciollo, CEO OCTO
- Dr. Meta Kessler, Executive Director Ionity
- Vinzenz Pflanz, Chief Business Officer Sixt
- Sabina Martin, Vice President, Geotab
- John Saffrett, Managing Director ChargePoint Europe

Beyond the conference

Fleet Europe Days has evolved into a complete ecosystem experience.

The Fleet Europe Village, featuring more than 100 exhibitors, remains the networking heart of the event, where attendees can discover the latest technologies and services from across the fleet, mobility and remarketing value chain.

Visitors will also benefit from:

- A dedicated **Start-up Corner & Pitch Arena**, showcasing the industry's most innovative young companies.
- The **Fleet Box**, hosting **interactive Bootcamps** alongside the **International Fleet Managers Institute (IFMI)** focusing on AI workshops for fleet managers.
- The **Inspiring Women in Fleet Corner**, offering networking and mentorship opportunities.
- The **Fleet Europe Studio**, with live executive interviews and podcasts.
- The **Test Drive Experience**, allowing attendees to experience the newest vehicle technologies firsthand.

Learning and celebrating excellence

Education remains a cornerstone of Fleet Europe Days. Corporate fleet managers can participate in dedicated **IFMI workshops**, this year focusing on how Artificial Intelligence is transforming fleet management, while partner-led **Bootcamps** deliver practical insights into emerging technologies and operational excellence.

The first conference day concludes with the **Remarketing Awards Night**, recognising innovation and excellence across the vehicle remarketing industry.

On the evening of **28 October**, the international fleet community gathers for the **Fleet Europe Awards Night**, celebrating outstanding achievements in corporate fleet and mobility management.

Press Conference and Registration

You are invited to attend our **press conference** at Fleet Europe Days 2026 on 27 October at **11:30 AM (Lisbon time)** at **FIL Lisboa**.

Upon confirmation of attendance, your media outlet will receive **one complimentary press accreditation** for Fleet Europe Days 2026.
